Log in - British Council for Offices

An independent poll commissioned by the British Council for Offices (BCO) shows that, once government measures allow, Britain is set to move to a 'mixed' working style, where time in the office is balanced with time working from home. The survey of 2000 office workers suggests that over the next 6 months 30% of office workers intend to work from the office throughout the week, and the rest (46%) preferring to adopt a blended approach.
