**Capitalism Unleashed eBook por The Late Andrew Glyn ...**  
Andrew Glyn's Capitalism Unleashed offers such an analysis. But it does more. It shows how this development calls for radical reforms different from those traditionally envisaged by capitalism's critics, and how it may well make them possible - at least if we prove persistent enough to keep pushing and clever enough to understand when and how.'

...

Setting out from an unapologetic Marxist perspective, The Long Depression argues that the global economy remains in the throes of a depression. Making the case that the profitability of capital is too low, and the debt built up before the Great Recession too high, leading radical economist Michael Roberts persuasively presents his case that this depression will persist until the profitability ...
